# Introduction

# Research question

What is the effect of climate-related disasters on aid policy compromises?

Aid policy compromise = outcome of the negotiations between donor agencies and recipient governments (Mosley 2012; Swedlund 2017)

- ▶ Amount
- ▶ Design
  - influence over domestic policy/reforms
  - e.g., budget support, project-type interventions, etc.
- ▶ Implementation
  - technical control over aid resources
  - e.g. (non-)State channels of delivery
